

Mr. Kusters' Autobiography

My name is Jeff Kusters. I am currently employed by the Selby Area School District. My teaching duties include Keyboarding, Advanced Computer Applications, Accounting, Microsoft Office, and Business Law; and I am also the Technology Coordinator. In addition to teaching, I am also the Head Football, Junior High Boys Basketball, and Head Boys and Girls Golf coach. I am in my seventh year here. I spent my first eight years in education with the Hamlin School District in Hayti, SD. I completed my Bachelor's degree in December of 1995, a Master of Arts in Secondary Education (Business) in July of 1999, and an institutionalized endorsement in administration in December of 2002. I am currently enrolled in the Educational Specialist program through the University of Sioux Falls and will have a ten-year superintendent's certificate this summer.

I am married to Christine and we have four children. Zachary is a sophomore at Valley City State University, Courtney is a junior, Kennedy (Bubba) a sophomore, and McKinley just turned five years old this past October and is in pre-school. My wife is currently the 7-12 special education instructor at Selby Area High School through the Oahe Special Education Coop.

My hobbies would include almost any type of sporting activity. I've been playing football for quite a few years now and have enjoyed that a lot. I also enjoy working with today's youth and get to do that year round with all of my coaching obligations.

In addition to my duties at school, I am also very much involved with our community. I am President of the Selby Volunteer Fire Department, an EMT with our ambulance, and will be starting my third term as Mayor this spring as well. Needless to say, I am extremely busy, but love what I do☺.
